Tahiti
Tahiti, with over 118 islands spread over five archipelagos, evokes a sense of romance, escapism and mystery.

The main island of Tahiti is the gateway to French Polynesia. The best markets in the South Pacific are in Papeete, where you’ll find everything from local fish to traditional arts and handicrafts. For the more adventurous there is so much on offer. Scuba dive or snorkel at one of the many dive sites, cruise around the harbor, discover the lagoon by kayak or try your hand at surfing.

The picturesque island of Moorea is set on a crystal clear lagoon with lush green mountains towering overhead. Explore the waterfalls, valleys and Opunou and Cook’s Bays. The ‘Pearl of the Pacific’, Bora Bora has one of the world’s most beautiful lagoons. Dive the clear, warm water to witness a large array of multi-colored fish, Manta rays, sharks and wrasses. Enjoy your own private paradise by staying in a unique overwater bungalow.

The atoll of Tetiaroa is a haven of birds, sea turtles and abundant marine life. Relax on the island of Taha’a with its surrounding mountains and picture perfect beaches. Marvel at the pink sand beaches on Tikehau, a natural wonder.
Air Tahiti Nui
The best way to fly to Tahiti.

There’s a point during a vacation when you realize things are unlike anything else you’ve ever experienced. For many, it happens the moment they step on board Air Tahiti Nui. On our award-winning, daily nonstops from Los Angeles to Paris and Tahiti, with connections to Auckland and Sydney, passengers enjoy French-inspired cuisine and are cared for by a cabin crew that is as captivating as the islands they call home.

Cook Islands

One Foot Island, Aitutaki
Impossibly blue lagoons, dazzling white sand beaches fringed with swaying palm trees and friendly locals – the Cook Islands offers the perfect island getaway.

Rarotonga, the Cooks’ main island, is simply breathtaking. One of the most stunning lagoons on Rarotonga is at Muri Beach. It’s the spot for watersports including sailing, kayaking, stand-up paddle boarding and swimming. Great snorkeling and swimming spots are never far away on Rarotonga. The south coast, from Titikaveka to Vaimaanga and Aroa Beach, has lovely wide, long beaches and the deepest lagoon on the island, making it one of the best for snorkeling and all-tide swimming.

Aitutaki is home to what is surely the most idyllic lagoon in the world. A vast expanse of crystal clear water scattered with uninhabited white sand islets that frame the palm-fringed main island, making it the quintessential tropical island paradise. Cruise to snorkeling spots and tiny islets (motus) such as gorgeous One Foot Island. Or visit Honeymoon Island – a long stretch of sand permanently under eight inches of water. Catch a water taxi or hire a canoe and paddle to the nearest motu for a picnic on your very own stretch of beach.
White sands, azure seas and blue skies as far as the eye can see, Sea Change Villas are located on the southern side of Rarotonga in the village of Titikaveka.

The resort consists of 12 villas all boasting a private pool and patio along with impressive views of the lagoon or beach. In the event that these discussions fail, any such controversy shall be confidential and shall be treated as compromise and settlement negotiations, and no oral or documentary representations made by the Disputing Parties during the discussions and negotiations shall be admissible for any purpose in any subsequent proceedings. If any Dispute is not resolved within twenty (20) days of receipt by a Disputing Party of a notice of a Dispute (or within such longer period as the Disputing Parties may agree) the Disputing Party shall be entitled, at its option, to submit the Dispute to arbitration, by final and exclusively settling through binding arbitration administered by JAMS in accordance with its Comprehensive Arbitration Rules and Procedures. The Disputing Parties agree in effect that by submitting a Dispute to the Disputing Parties in writing, the arbitration shall be held, and the award shall be issued in, Los Angeles, California. The arbitration shall be conducted before a single arbitrator, who shall be neutral and independent of the Disputing Parties. The arbitrator shall be selected by an agreement between the Disputing Parties, except that Islands in the Sun reserves the right to make the final selection. Notwithstanding the above, Islands in the Sun may, at any time, by written notice to both Disputing Parties, select a single arbitrator to resolve all Disputes. If the Disputing Parties fail to agree on an arbitrator within thirty (30) days after the arbitration commences, the arbitrator shall be appointed as provided in the Rules.
